Noxstone operates on a route-based schedule so that service can be completed efficiently and consistently.

Noxstone will take reasonable care while servicing the property. However, Noxstone is not responsible for damage caused by hidden, unmarked, improperly installed, poorly maintained, or pre-existing property conditions.

- Examples include unmarked sprinkler heads, buried wiring, shallow irrigation, hidden rocks, exposed roots, unstable edging, rotten fence boards, loose pavers, fragile lawn decor, or objects hidden in tall grass.

Pricing assumes normal service conditions unless otherwise stated. Extra charges may apply when a property requires additional time, labor, equipment wear, hauling, or cleanup.

- Examples include excessively tall grass, heavy weeds, thick growth, storm debris, neglected beds, wet or matted turf, or areas that cannot be maintained safely at normal speed.
- When practical, Noxstone will notify the client before completing work that requires an additional charge.

- Payment is due upon receipt of invoice unless another payment schedule is agreed to in writing.
- Accepted payment methods may include cash, check, credit card, debit card, ACH, or other approved electronic payment methods.
- Invoices more than 30 days past due may be subject to a late fee of \$25 or 10% of the outstanding balance, whichever is greater, for each month the balance remains overdue, where allowed by law.
- Noxstone may pause or discontinue service on accounts with unpaid balances.
- The client is responsible for reasonable costs of collection if an unpaid account is sent to collections or legal recovery, where allowed by law.

7. Recurring Billing and Auto-Pay

For recurring service, the client may choose to keep a payment method on file for automatic billing.

- By enrolling in auto-pay, the client authorizes Noxstone to charge the approved payment method for completed services or the agreed billing cycle.
- The client is responsible for keeping payment information current.
- Failed payments may result in delayed service, paused service, cancellation, or applicable late fees.
- Auto-pay may be cancelled with written notice before the next billing cycle.

8. Cancellations, Access Issues, and Skipped Visits

- Please provide at least 24 hours notice to cancel or reschedule a visit.
- Late cancellations, locked gates, unsecured animals, blocked access, or other client-caused no-access situations may result in a \$25 fee or the normal visit minimum, at Noxstone's discretion.
- If service is skipped because of weather or route conditions, Noxstone will make reasonable efforts to complete service as soon as practical.

9. Damage Concerns

If the client believes Noxstone caused property damage, the client should notify Noxstone as soon as possible, preferably within 48 hours of service, so the concern can be reviewed while the facts are still fresh.

- Please include a description of the concern, the service date, and photos if available.
